

Product Note: Common Interests Alignment (CIA)

Besides using scientific technologies to provide objective index (PCA & DNA compatibility ratings), DNA Romance also understands that each user would have more multilayered demand and standards for their matches. Therefore, we established a rich series of filters for our users to find people with Common Interests Alignment (CIA). DNA Romance gives users full flexibility to narrow down on matches who fit their specifications by providing 30+ search filters including:

- | | | |
|----------------------|-----------------------|------------------------|
| 1.Distance | 10.Religion or | 21.Movie Preferences |
| 2.Age | Philosophy | 22.Music Preferences |
| 3.Location | 11.Occupation | 23.Pets |
| 4.PCA% (Personality) | 12.Income | 24.Allergies |
| 5.DRom 1.0. | 13.Relationship Type | 25.Disabilities |
| (Chemistry) | 14.Alcohol Use | 26.Vaccinations |
| 6.Height | 15.Tobacco Use | 27.Weight |
| 7.Number of Children | 16.Weed Use | 28.Blood Type |
| 8.Desired Number of | 17.Personal Interests | 29.Eye Colour |
